

29th January 2017

Open Evening on Monday 27th March 2017

I would like to thank all parents who came to the Club on Monday evening to help make our Open Evening such a success. We raised over £213.00.

Thank you also to the Club members who helped us raise this sum: Pete and Dan who ran the Quiz event; Marshall and Vicky who ran the Bric a Brac stall and Jenny and Callie who ran the Guess the number of sweets in a jar.

My thanks also to Board members and members of staff who helped out.

We had a number of suggestions from parents about ways of raising money which we will discuss at our next Board meeting in April. If any parent would like to join the Board of the Club, they will be very welcome. Please contact me through the details at the bottom of the page.
