

Hello. Would you like to be a Volunteer?

The Monday Club supports adults with Asperger Syndrome. We provide a relaxed and fun environment in which our members can be themselves. The Monday Club is extremely important to its members because it provides the opportunity to socialise, build friendships and develop self-confidence and we need you to help make it happen.

Experience of Asperger's or Autism is preferred, but not essential as training will be provided; if you have an open mind and an understanding nature this could be a great opportunity for you. An enhanced CRB check will be provided along with ongoing training. If you are interested please contact us for an application form.
